

NEW SOFTWARE INTRODUCTION

TeachOatcake

Teach
like a dj

Needs Assessment

Conduct a thorough needs assessment

Open Communication

Maintain an open line of communication with teachers throughout the transition

Support System

Establish a support system, including tech-savvy staff or a dedicated help desk, to assist teachers with any challenges they encounter while using the software

Showcase Benefits

Highlight the benefits of the new software through real-world examples.

Professional Development

Provide comprehensive training for teachers

Small Start

Introduce the software gradually rather than overwhelming teachers with a complete overhaul.

Peer Collaboration

Foster a collaborative environment where teachers can share their experiences, strategies, and best practices for using the software.

Feedback Loop

After implementation, continue to gather feedback and monitor the software's impact on teaching and learning.
